**ALLOWABLE SUBJECT MATTER**

1. Claims 1, 4-9, 11-14, 16-30, 32-34, 36-39 and 41 (renumbered as claims 1-34) are allowable over the prior art of record.
2. The following is an examiner's statements of reason for allowance: The examiner has found that the prior art of record does not appear to teach or suggest or render obvious the claimed limitations in combination with the specific added limitations as recited in independent claims and subsequent dependent claims. The prior art of record fails to teach or suggest a method and system of servicing content for delivery to a client device comprising identifying a type of service to be performed on an item of content, wherein said item of content is identified during a session involving said client device, selecting a provider from a plurality of providers capable of performing said service, estimating an amount of time said session is expected to remain with said provider, wherein said record is updated once said amount of time has passed, and providing information for transferring said session to said provider, wherein said provider performs said service on said item of content.

3. Examiner interprets the limitation "computer-usable medium" as a device that stores computer instructions and participates in providing the computer instructions to a computer processor for execution. The computer-readable medium includes non-volatile media, volatile media, computer storage devices and memories. For example, optical or magnetic disks, ROMs, PROMs, EPROMs, EEPROMs, RAM, hard disks, CDs, DVDs. The "computer-usable medium" does not include acoustic or electromagnetic waves, such as those generated during radio-wave, infra-red, and optical data communications.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Philip B. Tran whose telephone number is (571) 272-3991. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
